

Lime Clean- All new Mold and Mildew Stain Cleaner is the Safest, Fastest and Easiest Wood Cleaner.

Sustainable and Strong, Lime Clean is a mineral based Lime cleaner for Wood, Decks and Siding. Does not contain Bleach or Oxalic Acid. Will not contaminate water supplies, soil. Nor will product create or contribute to acid rain. Natural Lime literally absorbs Carbon Dioxide out of the atmosphere and safely neutralizes acids as it washes into the soil. Lime has been used for centuries as a soil treatment because it balances ph. It naturally turns into Calcium Carbonate which is commonly used in antacids.

Practically Odorless application is easy and fast. Removes old stains and patinas. Neutralizes Tannic Acid in Ipe, Cedar and the like. Strips the Mill Glaze off new lumber so coatings penetrate correctly.

Lime Clean WOOD & DECK CLEANER

NO Bleach! Mineral Lime Cleaner Removes Mold & Mildew Stains. Very Strong Cleaner. No Toxic Odor. Safe for Groundwater and the Earth. Roll or Spray On. Wash Off Easily with Hose & Scrub Brush or Pressure Washer.
